Renters Insurance

Protection for your home and the things you love

Why renters insurance?

Renters Insurance is an essential way to protect your home and personal belongings from theft, damage, or unexpected events. While your landlord may require it, renters insurance ensures you're covered where landlord policies stop — providing personal property and liability for you and your guests.

Key Benefits

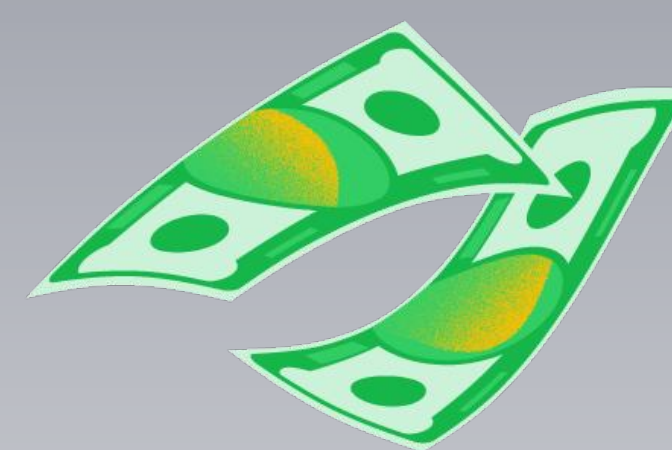

Protect you & your belongings from the unexpected

Covers personal items and liability in case of theft, fire, or accidents.

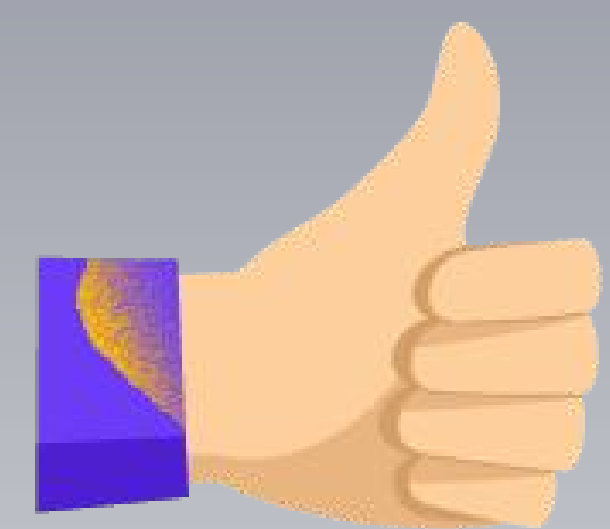

Satisfy your lease requirement in one place

Bundle with your security deposit alternative so your landlord can easily confirm you're covered.

Rates tailored to you

Starting at just \$5/month — pricing adjusts to your rental so you only pay for what you need.

Best in class coverage and service

Powered by XCover by Cover Genius, with most claims processed in seconds.

Protection made simple

From fire to theft, renters insurance helps you recover from life's messier moments.
